1. Log into your account at https://www.fbmarketplace.org/

2. This grant is only for BOOKS, so select the “Books” option from the header. Some sub-sections you may find helpful include:

3. As you see books you would like to request, decide how many you would like, update the quantity, and click “Add to Cart.”

4. Click “continue browsing.”
5. Continue adding books to your cart until your cart’s Grand Total reaches $2,500, or as close as you can get without “going over.”

6. Once you are done, your shopping cart will be empty. In the upper-right hand corner, click My Account > Wishlist.

7. At the bottom right hand corner, click SHARE WISHLIST
8. On the “Share your wishlist” screen:
