Enter to win $500 for your center or school with our Statistics in Centers & Schools Sweepstakes

Kids are counting on us to get the 2020 census right.

**BABIES AND YOUNG CHILDREN ARE MORE LIKELY THAN ANY OTHER AGE GROUP TO BE MISSED BY THE CENSUS.** We missed 12,000 Louisiana children under the age of five in 2010. As a result, our kids lost out on over **$16 million** every year for programs like SNAP, Head Start, Child Care Assistance & LaCHIP.

Enter to win $500 for your center or school through Agenda for Children’s Statistics in Centers and Schools Sweepstakes!

**TO ENTER**

1. Visit the Statistics in Schools web site to select an activity (or set of activities): https://www.census.gov/programs-surveys/sis

2. Use that activity in your classroom.

3. Take a picture or short video of the activity as proof.

4. Submit your entry into the sweepstakes by uploading the photo or video and providing a brief description using our form (www.agendaforchildren.org/sweepstakes-form) by March 30th.

5. We’ll announce the lucky winners on April 1st, Census Day!

**BECOME A COUNT ALL KIDS CHAMPION!**
